“ I miss our Bible study time over coffee my friend. I miss you and was so looking forward to you moving back here. My heart hurts for Tony and Austin. I know how much you loved them both and will keep them and all your family and friends lifted up in prayer. I am so sorry I didn't even get to say goodbye to you. I know you are with Jesus and will see you in heaven my dear brother in Christ.

“ Stefan was a faithful friend. We started our friendship at Brown High School as buddies. We always laughed and had a good time. As we got older we had many times of sharing our faith. Stefan loved Jesus and was never ashamed to admit it. I loved our time discussing the Bible. Stefan, you will be missed so much. I will see you again one day. Love you man.
