“ *Mama, I remember meeting you like it was yesterday. As soon as you saw me, your face brightened up, that beautiful smile lighting everything around you, and all you could tell me was how beautiful I was but truly, you were the gorgeous one. I miss you so much, ma. This has been so hard because you were like a second mother to me. You loved on me and my kids out loud and proudly. Noah, Anastasia, and Aiden love you so much. I love you so much, ma.*

I'll never forget Thanksgiving, how happy you were, and I'm so glad I could spend your last holiday with you. I'm glad you were able to enjoy yourself and be surrounded by everyone you loved. I'll never forget all the family dinners, all the spades games, and all the love you showed me. I'll forever be your "baddie," ma. I'm so sad I can't hear you tell me one more time. I know you are watching over us, and one day we will see you again. I love you. ☐■

I know you gonna get me about that picture lol but it was the first time you stayed the night with us. I love you so much ma, I'm sorry our time wasn't longer 💔 😔 but I know we will laugh together again 🤝■
