“ *Sharing a memory: When I was 5 years old I remember watching “ My Aunt Lucy” as a senior in high school, get on the school bus from her parents, my grandparent's front porch. Kissing and hugging me goodbye for the day. I will always remember her as a person full of smiles and laughter, bubbly and happy. I have pictures of her in a frame and beautiful memories are silently kept in my heart.*

*To “ My Aunt Lucy” you were someone special to remember with warmth and cherish with love. I loved you dearly and will never forget you. RIP- Aunt Lucy. Your namesake, Sandra Lucille Cohran.*

*I send my condolences to the family and my first cousins, Karen, Peggy, Norma, Gary, and Albert. Your mother and my Aunt Lucy touched so many lives, may her legacy continue to shine through all of you. May you all find comfort and peace.*

*Sending Love and Prayers.*

*Kindest Regards, Sandy.*
