“*Andy, I knew you had passed away, out there was very little information. Your wife finally got in touch with my Dad and told him. I haven't seen you for a very long time, but thought of you often. I hope you're there with MeMere and PePere, as well as your parents. Susan is there also. I wish we could have been a closer family, and hope you're looking after your family. Someday, we will meet again.* □
