“ As a newly to the Woodville area meeting Andy in my 1st days as the Clerk at the Woodville PO was nothing short of a BLESSING. Until recently he he would stop in for his mailings and a chat. He was meticulous in his appearance and always considerate. He would drop in with fresh homemade sweets and baked goods. We loved to see him coming. As if late I've missed seeing him except on the rare occasion but nevertheless I loved the chat. I am blessed to call him my friend for the pasted 5 yrs and will smile with every memory in ALL of the rest of my days.
GOD SPEED ANDY REST IN GODS LOVING PEACE AND MERCY OF GRACE.

I am really saddened to hear of Andy's passing. He was always friendly and kind, always asked about Maurice and our family. He and I would run into each other at groceries, dollar stores, etc. We found a lot to laugh about. Rest in Peace, Andy. What a Heart of Gold!

Mr. Andy, I miss you and our conversations at your driveway already. You helped me and others through some tough times and good times. You always made time for everyone and never complained, except about the trash that some people are so kind to leave on our street. My family and I better for knowing you these 8 years and I pray you are having a blast in heaven.
