

Angelina Jane Nettle

December 19, 1973 - May 5, 2023

Angelina Jane Nettle, 49, of Tallahassee, passed away May 5, 2023, after a brief illness.

She was born in Trenton, Michigan to the late Allen James and Brenda Jane Wells Nettle and grew up in Marianna, Florida. Angelina loved music, animals, tiaras, her backyard oasis, and her mama. She graduated from FSU for her Bachelor's degrees in Criminology and Political Science. Angelina worked for many years in the political sphere, first as a constituent services manager for a Congressman and then as an assistant to Florida lobbyists and lawyers. She loved attending concerts and music of all types, but especially Prince. Other than friends and family, her greatest loves were animals; she took care of her own cats, looked after the neighborhood strays, and was even known to feed the raccoons.

No memorial service is planned, but memories can be shared on Angelina's Tribute Page on www.youngfulfordcremationandfuneralservices.com. In lieu of flowers, you may honor Angelina's memory by making a donation to Tallahassee Big Dog Rescue so we can continue her legacy of loving all the animals.

The family is being assisted by Jackie Fulford and James Sircy of Young Fulford Funeral Home and Crematory, Tallahassee, Florida. 850.610.4444

“ *Angelina was part of our “7th floor crew.” I remember most her sense of humor and her kindness. Such a dry wit! I loved chatting with her about animals and such and was sad when they moved to another floor, but she was always an honorary member of the crew. Gone far too soon!*

“ *I knew Angelina as a valued legislative assistant. She excelled at handling the high-volume workload that came with the practice, and at managing the sometimes difficult people who were part of it. She loved to talk politics and pets when her schedule allowed. And to share a high-calorie recipe for the cakes she loved to bake. She was a rare individual with many fine qualities whom I was privileged to know and whom I will miss.*
