“ *Elvira just messaged me about Anita and I just can't believe it's true. I am so sad to hear this and will miss her so much. She was a great work-mom to me and always encouraged me to be better. She also listened to my early twenty new mom trials and tribulations and offered such wonderful advice. She and Katuria threw a lovely baby shower for me that I almost missed the 3 time they tried... but I held on and had the baby a few hours later. Rest In Peace my second mom... I love you!*

“ Anita was my best friend, in and out of work. Her kindness and wonderful work ethic was amazing to behold. She was sincere and focused, especially when it came to her sons and family. She told me many stories about her upbringing in Laurel Hill, about her mother, father, sisters and brother. Anita always maintained a low key and highly compassionate personality. She was a loving gift to me and I'll never/ever forget her.

“ Just heard about , and I became very upset . We were working together, and she was always a good mentor, a good co-worker , a good friend . I enjoyed her lavender bouquet that she would bring to me as a gift. Rest In Peace , my friend. I will miss you very much :-(
