Tribute Wall

“ It's been over a year on August 30 since you were received by angels and you have had 2 heavenly birthdays Ma. I miss talking to you but I can still hear your voice in my head and my heart. It's been tough the last two days of days. My heart is heavy... two back to back days of reminders that the two people that made me are no longer on God's green earth. At birth one day apart and at death one year apart...”
