“ Tony and I golfed together at Cobblestone Park Golf Course in Blythewood, SC for over 6 years. Barbara and I adopted Tony's dog when she became too much for a partying bachelor. Tony was always a fun-loving guy with too many stories to pass on. The senior group at Cobblestone will forever remember him as the slowest walker from cart to green and back and as the absolute best putter from off the green. Mike and Barbara Campeggio

“ Met Tony last February playing golf. A real delight on and off the course.

Shared a post round conversation the previous week to support and encourage his decision to move to a new home. Monday morning he was very happy when he came around the practice tees to share he had picked up his keys. He was very pleased with himself and happy to share his enthusiasm for the upcoming move.

My wife and I were shocked to hear of Tony's passing. A real gentleman a great sportsmen and cheerful until the end. We will miss him.

Prayers for his loved ones. We share in their loss and we were proud to call Tony our friend. Proud indeed..

So sorry to hear of Tony's passing. Met him at Southwood CC and enjoyed playing golf and chatting with him. We shared a few Italian recipes and compared notes about good Italian restaurants in town. Always in good spirits - he will be missed.

Tony touched so many here in Blythewood, SC. He was loved by all and undoubtedly the most popular member of the Senior Golf Association at Cobblestone Park. I will cherish the many rounds of golf that I was lucky enough to enjoy in his company. The many stories that he shared with all after a round of golf will be missed. My wife, Leigh and I, enjoyed having dinner with Tony , as he was always pleasant company. We send our condolences to Tony's family.
