“ Ms. Barb,
You were such an awesome Lady, I have so many fond memories that I will cherish. You have helped so many people in so many different ways, including myself. I learned a lot from you. Everyone had the utmost respect for you. You would always light up the room when you made an entrance. I can go on and on about what a wonderful person you were. Until we meet again RIP!!! Love you,
Brenda L.

My lovely Barb: you were my first friend in Georgia. I just can't believe how fast you slipped away. One day we were on our way to see you... then you were gone. I know we'll carry on that relationship in Heaven. In the meantime I cannot imagine being within your presence. Sure do love you Barbie girl and know I will love you until I see you again 😊
