

BENJAMIN CHARLES GLASGOW

January 2, 1980 - October 3, 2024

Benjamin “Ben” Glasgow, 43, passed away unexpectedly on October 3, 2024. Born on January 2, 1980, in West Palm Beach, Ben was known for his deep love of literature, music, and good design – he made countless playlists and lent out numerous copies of Sylvia Plath’s *Ariel* with no expectation of having them returned. He was the eldest to four of his five siblings and counseled each throughout their lives, providing love and support in equal measure. His dedication to his children, Scout and Finn Glasgow, was unmatched—his entire world revolved around them, and his pride in being their father was always evident.

Ben’s loyalty and love extended beyond his family to an intimate circle of friends and colleagues. He was not only a loving father but also a loyal friend and a dedicated employee. His kindness and gentle spirit touched everyone who knew him.

He is survived by his mother, Anne LaFleur, siblings Tara Glasgow-Longway (John), Wendy Seale, Katy Glasgow, Holly Pfrenger (Nick), and Christian LaFleur (Lace); uncles Jim Pyle (Kim) and John Pyle (Beth), aunt Donna Pyle, as well as a host of nieces and nephews, all of whom he cherished deeply. His family will always remember him for his kind spirit, his wit, and his ability to make everyone watch *Back to the Future* countless times.

Ben is preceded in death by his father, Charles Glasgow, stepfathers Frank Smith and Michael LaFleur, uncle George Pyle, and his brother, Andrew LaFleur. He was blessed to have grown up in a tight-knit family who loved him fiercely and unconditionally. His memory will be carried on in the hearts of all who knew him.

A Memorial Service will be held on Monday, October 14, 2024 at 5:00 PM, at Young Fulford Funeral Home and Crematory, 4948 Six Oaks Drive, Tallahassee, Florida 32303.

“ I was saddened by the Loss of Ben! I Remember seeing Ben when Frank would bring the kids by the house. He was always nice. He grew into a good person as well. The world has a deep hole without Ben in it.

“ Ben -- You will certainly be missed, from our early days of working together to 20 years later and reconnecting -- we didn't miss a beat. Always a pleasure to be around; helpful, make me smile with your subtle humor. You made my life much easier and and certainly added joy & happiness to your family's. You will be missed. At your wedding -- you didn't take yourself too seriously - just had a good time. I think that's how you tried to live your life ... look for the positive and always help others see what's good. Most of our conversations centered on our kids -- what they were doing, the lessons we are trying to teach them, etc ... unless work got the way - which it did from time to time. I look over at your work station as I write this now, just shake my head in disbelief. We'll go on, but we were certainly better off for having known you, Ben. You will be missed, my friend.
