

Bert Harvell

July 25, 1975 - February 18, 2024

Bert Anthony Harvell passed away Sunday morning February 18, 2024 at his residence in Havana, Florida. Bert was born on July 25, 1975, in Tallahassee, Florida to Terry Touchton Harvell and the late Bert Harvell. Bert worked in the Construction Industry for years and was a skilled carpenter and painter. Bert was an avid "STAR WARS" fan... But here on earth, Bert Harvell was an accomplished musician. His greatest passion was playing guitar and singing. Bert was a member of a successful band in earlier years. Always ready to share his talent and love of music at every opportunity. Bert enjoyed fishing and being in the great outdoors. He had a genuine love and respect for all God's creation. He recognized the beauty and value in all things. A true and gifted artist, the man brought new meaning to the phrase "from trash to treasure." He found great joy in transforming the old, unwanted, and broken objects into unique and special works of art. In recent years he turned his attention to caring for his backyard birds (especially dear to him) and other creatures in his neck of the woods. Bert also loved gardening and raised his own vegetables (the natural-born farmer in him). Many hours were spent working and tending his garden; time well spent to help provide his family with fresh food. He was also a great cook. Bert is survived by his mother Terry T. Harvell, a brother Carl T. Harvell, and daughter, Gracie Harvell-Wilson. Many cousins and a host of extended family. Bert was preceded in death by his father and namesake, Bert Harvell. A celebration of Bert's life will be held on March 23, 2024, at 2:00 pm at his home in Havana (on the hillside) where he

spent his entire life. He will be laid to rest there on the land he loved so much.
Bert was dearly loved by his friends and family and will be greatly missed.
BERT HARVELL truly was a "Rock Star" in so many ways!

The family is being cared for by Jackie Fulford and James Sircy of Young
