

Bryce Robert Buda

October 18, 2001 - December 2, 2020

Bryce Robert Buda, 19, was born to Rob and Stacie Buda in Tallahassee, Florida on October 18, 2001. He lived in St. Marks before moving to Tallahassee. Bryce passed away on December 2, 2020.

Bryce was attending Florida State University after graduating from Florida High School, Summa Cum Laude, in May 2020. At Florida High, Bryce played the clarinet as a member of the Florida High Marching Braves. His interest in music extended to several instruments and he also enjoyed playing the saxophone, the flute, french horn and the guitar.

Bryce is survived by his loving parents Rob and Stacie Buda; his paternal grandparents, Ben and Barbara Buda; his maternal grandmother, Glenda G. Pruitt; several aunts and uncles, Rick Buda (Jill), Karen Collier (Chip), Emily Kanoza (Tom), Chris Buda (Amy), Jimmy Carr (Susan), and Tammy Bollhoefer (Marc); numerous cousins and other relatives who all loved Bryce dearly.

Due to COVID and in order to maintain the health of everyone, Bryce's parents have limited in-person attendance at his funeral service to a small, private, family group. Bryce's parents thank everyone for understanding, and invite all of Bryce's family and friends not attending in person to attend via live-stream. The Funeral Service will be held Friday, December 11, 2020 at 2:00PM. The link for the live-stream is: www.goodshepherdparish.org. You

may view the service through this website, by simply clicking on the link above and then choosing "Live Stream" at the top of the page you are taken to.

The family would greatly appreciate that everyone share any comments, memories, and pictures you have of Bryce here on his tribute page.

In lieu of flowers you may make a contribution in Bryce's honor to:

“ Stacie and Rob. Words can not express the sorrow that is in our hearts. Since we heard of Bryce's passing, you two have been in our thoughts and prayers. Bryce was a very sweet young man whom we are blessed to have met and shared memories during band activities. Bryce was one of Erica's few friends at FSUS. I thank the Lord for putting Bryce in Erica's path when they met in 6th grade. May you both feel God's embrace. Lourdes, Derrick, and Erica Thomas.

“ To Rob, Stacie, extended family & friends:

Upon hearing the terrible news last week we were just knocked over with the sadness of why & what for to questions that may never be answered, feeling sorrow for all those in Bryce's life. Rob & I started working together @ FDEP within six months of each other in '07, where I first met Bryce as a little boy in his dad's office. I did not see him often, but have no doubt of his family's adoration of him; given the regular stories of events, activities & travel I was privileged to hear about. I last saw & talked with he & his dad in early '19 @ the FDEP office. I remember telling Rob then of my being impressed with Bryce's strong handshake & good manners, with such things being important in life. I'm grateful for that memory of him & know many others carry similar memories.

Take care & love to all,

Vince & Martha

“ *The Tribute Video was not only an awesome tribute to Bryce, but also a tribute to his loving parents. Rob, Stacie and Bryce's Grandparents - I am so sorry for your loss. Each time I would run into Bryce while seeing the whole family out on the town, i was always so impressed by his character and maturity. What a great young man you raised and he will be greatly missed. I still remember the grand time when Bryce and Rob dared to take a swim at Punchbowl to cool off, while a bunch of cave divers were deep below them. Your friend always,

“ Rob and Stacie,

My heart is incredibly heavy and I'm at a loss for words since I was told you lost Bryce, and after watching your beautiful tribute video of him. Sadly we never had the pleasure to meet him, and I can see he was a gem to all he touched. As believers, I hope and pray you can find comfort in knowing you will one day meet again. You and your families are all in our prayers!

“ Bryce was such a kind, amazing kid and an incredible musician. I remember the day he met Gareth, at Florida High prior to 6th grade for testing, and they both played on the playground while trying to act very cool about it as rising middle schoolers. Then they met Hali in 6th grade and all became besties. Bryce was the main reason Gareth joined the band in the first place.

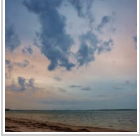

I've attached some pics through the years, and a couple videos where Bryce is in the forefront (and he has a solo in the jazz concert one).

Sending you all so much love.

“ Bryce was a kind, intelligent and talented young man. Some of my favorite memories of Rob are when I would ask him on Monday mornings if he had a good weekend. I loved to hear "Yes! Bryce and I went kayaking!" or "Yes! Bryce and I rode our bikes on the St. Marks Trail!"

I am so sorry for your loss.
