Carol Anne Littrell

March 2, 1947 – January 15, 2026

Carol Anne Littrell passed peacefully in the early hours of January 15th in Tallahassee Florida.

She is survived by her daughter, Vickie, and her favorite son-in-law, Jerel; her grandchildren, Morgan and her husband Tony, Kaylee, and Ellie; her great-grandbaby, Colton; and her siblings, Charles and his wife Kathy, Charlene, and Clifton and his wife Patty.

Born in Kansas City, Missouri, Carol spent most of her life in Illinois, where she built her home with her husband, Dwain Littrell and retired from Air Products.

Carol was a headstrong woman who loved without limits and encouraged a life full of fun and excitement. She was known for her quirky personality, her ability to bring laughter and confusion in equal measure, and the impressive number of ways she could subtly flip you off.

She did not want a funeral, preferring small, private gatherings with good food and lively conversation. Deeply loved and greatly missed, Carol is surely

stirring the pot wherever she is—though she never did enjoy cooking.

Mrs. Littrell is under the care of Jackie Fulford and James Sircy of Young Fulford Funeral Home, Tallahassee, Florida. 850.610.4444

“ We met Carol at family gatherings at Joe and Dorothy’s and on camping trips. Carol was fun, caring and independent. She will be missed but always in our memories. Michael & Kathy

“ Carol and I were two crazy teenagers growing up in Olathe, Kansas in the '60's. What one of us didn't think of the other did--we were kindred spirits and laughed and loved throughout the years. One of my favorite memories was going to her Grandpa's store (after hours) and borrowing the store pickup to practice our "Chinese fire drills" around town... No One was more excited than the two of us when Olathe would get a new traffic light--it was "drill time" and away we went. We would go months even years with no contact BUT we would always "catch up" like no time had past.... Thanks for the memories my dear friend-we love you.
