

Crystal Jean Griffin

February 12, 1974 - September 3, 2022

Crystal Jean Griffin, 48, passed away on September 3, 2022. Crystal was born on February 12, 1974 in Quincy, Florida. She was peacefully reunited with Jesus and her two angels preceding her Ceara Ashley Griffin and Jayden Carson Griffin. She is preceded in death by her parents, George "Ashley" Griffin and Debra Ann McGlamory.

She is survived by her sisters, Ginger Griffin (Kenny Washington) and Candice Meeks. Crystal was most proud and blessed by her surviving daughter Arayah Sunshine Griffin. (age8) She often referred to Arayah as her biggest blessing in life.

She will be greatly missed by her nephews and their children, Jessie Burch (Summer & Savanna) and Kevin Burch (Decklynn, Aurora, and Anaya) and Niece & Nephews Hunter, Heaven and Hayden Meeks. She was greatly respected and missed by friends and extended family as being the matriarch that kept everyone together for holidays and dinner's birthdays and family events. The Phrase "don't make me call

Crystal" was often used to keep the young kids in line.

She was an active member of Bible Believers Fellowship Church Tallahassee, Florida and valued her friendship and mentor Brother Dennis Young (pastor) and the congregation. She and Arayah were active in their community and

always willing to help others even when life's struggles were a heavy burden for her to bear.

Her humor, love of people and animals, Disney and her great love of Jesus will never be forgotten. It's a small world after all. We will see her again.

The family is being assisted by James Sircy and Jackie Fulford of Young Fulford Funeral Home and Crematory, Tallahassee, Florida.

“ I will never forget when Fort Braden Little League was struggling to find enough coaches a few seasons back. Crystal couldn't stand the thought of those babies not getting to play ball. Because not only would she do anything for her own babygirl, she would do absolutely anything for ALL the babies! So without hesitation she volunteered to coach a baseball team. Even though she had never done it before. I remember her saying "I'll learn. Me and these babies are gonna learn this thing together. One way or another, we gonna play ball." ❤️

That's a true testament to the kind of person she was and how far her love and devotion to her child and the children in her life and her community went.

I will forever miss that about her. Love you always girl!
