“ I had the pleasure to meet Cindy when her daughter, Christine, and my daughter, Kelley, became friends in the first grade. Through the years our daughters shared a lot of fun times together with beach trips, birthday parties, and sleepovers. It has always been fun to talk to Cindy. She always has something funny to say, always has a smile on her face, and, regardless of the pain she was in, she was always happy. Now that all of our children are grown, Cindy and I had a running joke about running into each other at Publix. It happened so often that she would say, just as soon as she spotted me, "Oh no! You again!" Then she would laugh and always tell me about a trip she just got back from or a trip she had planned to see her grandchildren. Above all else, she was a loving Mom and my heart breaks for her 4 children. She was so very proud of all of you. Her children and her grandchildren were her very heart. I hope that the many happy memories that you all have will sustain you during this sad time. I will miss seeing Cindy so much. I am relieved that she is no longer in pain. May she rest in peace. With my deepest sympathy, Teri Bahn
