“ *Dave was a kind and gentle soul. He was always there for other people when they needed him and always lent a helping hand. He loved and cared for all animals and he never turned a stray away. Dave had a great wit and a creative mind. I loved how he could always make me laugh. Dave was a caring husband and friend. As I look through the many photos taken during our life together, I'm reminded of the many adventures and great times we shared. Sweetie, My Beloved Davy, I will miss you more than you will ever know. Your Gailee*
