“ *It was 2017, I had just moved back from South Florida. David and I kept in contact throughout the years and we always seemed to reconnect when we really needed it. David was my brother and we knew that no matter what we could always call each other. That day I showed up with Triple T and surprised David. He didn't know that I just moved back. That was a great day. You were my brother and I will miss you dearly. Rest Easy Brother, I love you.*

Uncle Guff and I are so very sorry and heart broken for your loss. It was so hard when I lost my brother Dave and now to lose David. I console myself knowing that he is with his Dad. God bless David’s family and I pray that our Lord minister to all of you as you grieve. Love to all of you.
