

Diona Monique Skelly

December 1, 1964 - December 1, 2022

Diona Monique Skelly was born December 1, 1964 in Garfield Heights, Ohio. She passed away with family at her side on her 58th Birthday. Diona was a free spirit, a tough loving woman who had a heart of gold. She was a mom to all the misfits, providing loving support to the ones who needed it most.... often times when she didn't have it to give, and she was the one in need of support. She was not the perfect woman by any stretch of imagination, in fact, she was hell on wheels most of the time but she had the power to brighten a room when she walked in with a contagious laugh and a personality that was unforgettable. She loved to talk and interact with people from all walks of life and had the ability to make the best of any situation that she encountered. She loved the beach, music, Harley Davidson's, and animals but she most valued her granddaughter Raelyn Richardson and her devoted dog Buddy, (her daughter too, at times). She was also a huge Cleveland Fan, it didn't matter if it was the Browns, the Indians, WMMS or The Rock 'n' Roll, Hall of Fame. She loved where she came from and never forgot it. She joins her mother Rachel Skelly in heaven. She leaves behind her daughter Jessica Skelly, granddaughter Raelyn Richardson, Her Father Jack Skelly(Sharon), sisters Melinda Inman(Robby Turner), Rene' Hofbauer(Franz), Michelle Condo(John), and nieces and nephews- Logan, Cameron and Micaylin Condo, Leigha Ward, Lacey Inman, Jade and Tyler Quinn Hofbauer. Her daughter has decided there will be a gathering in the summer to celebrate Diona's life to include all of the things she loved. Details will be made available

once plans are finalized. In lieu of flowers if you would like to make a contribution, please make one to an animal charity of your choice.

The family is being assisted by Jackie Fulford and James Sircy of Young Fulford Funeral Home and Crematory, Tallahassee, Florida.

“ My dear sweet Sister , Diona, , Dee,
(Diona, Pee on a rock) our little inside joke lol! Gosh, where do I start my sister? We were a little Hellraisers troublemakers. We were the Cinderella's and clean the house before we could go out. We loved Elvis horses Jesus, and our moms we were bad girls, but grew up through it all, & overcame so many things in the end I regret not seeing you enough!!

I wish we would've stayed in touch more as we grew older, and that you would've come to see me more often since I couldn't drive, but when I did see you. It was always a treat! so thankful that you showed up always looking for you to walk through that door , I'm glad that you are with Jesus now resting in peace and out of pain but I miss you terribly and wanted to say goodbye and have a proper hug. I hope you heard me. I'll see you when I see ya. I love you sister give mom a hug and tell Jesus to keep working on me. I know he's not finished with me yet. I love you . Miss you already. Play high with the Angels my sister I'll try to always check on (Jess) and Rae know that we all love and miss you and I hope the gift of no more struggling no more peace what is the best birthday present ever in the arms of Jesus amen.

*Love ya,
Rene*

“ My condolences to all of her family because I know they have experienced a great loss. Diona was one of my closest friends and I'll never forget her. She left a forever unique legacy in my heart that can never be erased. She was one of the most giving loving and caring woman I've ever known. We watched out for each other. I know she is in the loving arms of her mother now and is riding a Harley in the sky with a beautiful smile on her face and that's what's important! All my love Koren

“ This has been one of the biggest losses in my lifetime! This woman was more like a mother to me than a friend. Diona never made her place in your live an obligation, instead she always made it her choice and for that I am more than grateful!! If I called onto her she was always there! No matter what, what whatever she could offer and that was truly her character!! She loved to love and I will always always miss her! There aren't people like Diona left in this world anymore. She was truly one of a kind!
