“ *I remember Mike, Doug Dowling and I used to pal around in the 55 Ford truck he had. Haven't seen or heard about him since we went away to college. Those were good times.*

“ *Mike and I were good friends in high school in Quincy. He was a Pontiac guy and I was a Ford guy back then. His family took us to the Daytona 500 one year and it was just outstanding. His family and my family were all members of the Centenary UMC in Quincy. I have great memories of Mike and the way we joked about car races. We're gonna miss you Mike.*
