“ Cousin Betty was our Sunday School teacher at the Reformed Church and I can still remember how our families took up a lot of the pews in the church. Also great memories of beach activities with all the families (whether we were on the bay or ocean side). She will be at peace now along with our mom. Our prayers to your family. “ We will always remember Cousin Betty!! She was always the brightest star in the room and could carry on the best conversations. I hope you treasure all the memories that she has left (both the good and the bad). Condolences to you and the family!
