“ Liz was a couple of yrs younger than me & she's left us way too soon & too young. Her dad, Wade, & my mother, Mary Lee were brother & sister. Because of us all living far apart as we were growing up I didn't get to be around her a lot but when we were together she was so fun-loving & sweet. She was little (short) like her mom & always reminded me of Aunt Margaret. We will all miss her & pray for her family who are mourning her loss. Love to all.
