“ *It was Erica's birthday this weekend & her Mom & I just spoke about her today. i have been searching & searching to find Erica for years in hopes your Mom, sister, niece, and me (aunt) would be able to come and see you and re-unit. The father (Arthur Scott) took you from your mom at a young age around 4 years old and never contact Gloria (the Mother) anyway so she could see Erica. I am so broken hearted she is no longer able to ever meet on this earth. I hope we will meet again in Heaven one day! I would like to speak with anyone that knew Erica and get some history. Please call me or her birth mother Gloria @ 770-870-9922. Thank You Much.*

“ *Our little ray of sunshine has gone. She passed through this life bringing a smile and unconditional love to everyone she met. Only looking for love and acceptance in return. I am so grateful that GOD place you in my life. We loved you; but our Lord and Saviour JESUS CHRIST loved you best and called you home to rest. You are dearly missed.*
