“ I met Louise a couple of years ago in class at church. I enjoyed her sweet spirit, smile, and stories. She loved her family! I was so saddened by her sudden sickness and passing. She was valiant and I will miss her! My love, sympathy and prayers go out to her sons and loved ones. Lynda Godfrey

“ To our loving mother Louise D Hogan. Our mother was the most important to my life.. From highway safety days to me spending time with her during holidays, and her coming by every weekend to just bring me something to eat or just my mail. I loved my mom, she was 1 of a kind. My mother loved unconditionally, treated everyone with respect, and was a prayer warrior. Our mom worked hard to make sure we had a place to call home, a good school system and lifelong friendships, and she accomplished that and im thankful for that... I miss my mother everyday but it brings me peace to know my mother is with Jesus looking over us all now. our mother will be greatly missed but never forgotten. Till we see each other again momma.. love always

Condolences to the family. I would have to say she will be truly missed. She was a friend who sended me pictures of her flowers and would give me warm greeting of love and kindness . I thank God for special human beings and thankful for her being a part of my life. Sometimes when she was retired would have lunch at Dept of Highway and safety.

“*Louise, as her Sisters in Faith knew her, was a kindly, thoughtful woman who came to Brenda Beigle's class with her friend and former co-worker, Shirley Blackburn. I was just getting to know Louise better when she started missing class because of her back pain. That she had cancer was a shock to all of us; and I am grateful I had the opportunity to say goodbye to her at Big Bend Hospice about 12 hours before she went to her eternal home.*

“ I was privileged to know Louise only a short time, about two years. She was a part of my church Bible Study class I teach. She was faithful, always smiling, and participated with encouragement to others in the class. She will be missed! I'm glad I was a part of her life even if only shortly. I will see her again in heaven!!
