“ So sad to hear this. He was indeed a sweet person. I loved hearing his “radio voice”. He was such a pleasure to work with at Stereo Sales.

“ Jerry and I rode the school bus for six years. Jerry was a good person and one time his car was in repair shop and so he rode with me to his place of work. he was my neighbor so we took my Green VW to work. We would laugh because by the time we got to where he worked he said he was frozen! VW's did not have good heaters! I was the TAXI VW for about a week or so until his car was fixed!

“ So sad to hear of Jerry' s passing. Jerry was my next door neighbor from 1956 to 1962. Plus we were both in the same class. Many memories ...building
Cabins in the woods; playing in the barns; fishing and caching frogs in the ponds. He was a great friend. We roamed the woods and fields..free to wander and play. Lots of freedom which children don't have today.
