“ My husband of 31 years Guillermo ( Bill) F Mercado died on June 26th due to complication after the multiple surgeries. He was born on April 22, 1942 in the Philippines. We met in 1993 in Seattle, it was crossroad for both of us. Our relationship started there, we lived like many people with the happiness, sadness, achievements, problems, occasional medical emergencies, Birthdays, all holidays, celebrated with relatives and friends, and supporting each other, worrying about kids, then grandkids, trying to understand and accept all what life is bringing to us. We traveled to different countries, saw the world together and returned to our home happy that we are back. We did a lot of things together like biking, skiing In the mountains of Washington, zip lining over the jungles in Mexico, parasailing, sang together, played guitar, piano, flute, it was Bill's talents. We argued, we had difficult moments, but I knew that he is proud of me, and he loved, trusted and respected me in return of my love and devotion. After retirement we moved to Florida to be close with my part of the family, First six years we traveled in our RV all over the country, it was the best time of my life, I was able to write, and Bill was my first reader. It is a lot of memory Bill left for me in video, pictures, my stories I wrote. I am grateful that my husband was such a support for me always. I know that he is in peace now and free of pain, but he will watch over everybody who he loved. Rest in peace, my love.
