

## Harry B Long

April 21, 1945 - June 21, 2021

Harry B. Long, 76, a native of Jacksonville, but long term resident of Havana, FL, died after an extended illness on June 21, 2021.

A natural born mechanic, Harry liked to tinker with things, and was the best heavy equipment operator for Sandco, under Steve Ghazvini. His innate ability to learn how things worked, also came in handy for playing his guitar, but his singing came from the heart.

Harry is predeceased by his parents, and survived by his wife of 35 years, Mrs. Margaret Long.

Skip Young and Jackie Fulford of Young Fulford Funeral Home and Crematory are assisting the family.

Jennifer Kinsey - June 30, 2021 at 05:07 PM

*Margret you are in our thoughts and prayers. Harry's battle is over and he is resting peacefully!*

*Much love,*

*Jen and Mike*
