

## Holli Lauren Prather Bull

September 12, 1987 - April 2, 2022

Holli Lauren Prather Bull came into this world early at 32 weeks on September 12, 1987 in Tallahassee, Florida. She passed away far too young, at the age of 34, on April 2, 2022 when she left this earth to be with her Lord and Savior in Heaven.

Holli was a beautiful child inside and out. Her nickname was “doodlebug.” She played Mary in the second grade Christmas play at Holy Comforter. Holli loved Audrey Hepburn and dressed up like her wearing long white gloves one year for Halloween. She loved pink roses, butterflies, and the Disney character Tinker Bell.

She was great at gymnastics and tumbling and was a cheerleader in middle school and high school. Holli was very social, and her girlfriends meant the world to her. She adored her two dogs, Bambi and Max, and her cat Chappo. Holli loved to travel, especially to the ocean.

Holli married her middle school sweetheart, George Traylor Bull on August 17, 2015. She always wanted to be a mother with a big family. Her dream came true on April 23, 2019 when the love of her life was born, Jaxson Carter Bull, weighting 5 lbs. and 13 oz.

Holli finally decided on her career and was enrolled to start her educational

path to becoming a children's speech and language pathologist in May of this year.

Holli is survived by her husband, Tray Bull; son, Jaxson Carter Bull; mother Diane Stewart, father Walter Prather, second mother Jennifer Prather; sisters Pam Rossiter (and husband Leo), Sara Brosious (and husband Matt), and Mary Prather; brother David Prather; grandmother Antonia Stewart, and numerous aunts, uncles, cousins, and countless friends.

A Funeral Mass will be held on Saturday, April 30, 2022 at 1:00 PM at Blessed Sacrament Catholic Church in Tallahassee. For those who are considering sending flowers, the family would welcome those but would also like you to know that another option would be making a donation in Holli's honor for Jaxson's education at Trinity Catholic School, 706 E. Brevard St. Tallahassee, FL 32308.

The family is being assisted by Skip Young and Jackie Fulford of Young Fulford Funeral Home and Crematory, Tallahassee, FL.

“ Was listening to Boston's "Hollyann" and just happened to think of Holli. Looked her up. Found this. Saddened. I knew her back in the day about 15 years ago now, in Tallahassee. Cool chic. A very pretty young woman, and intelligent. I remember her well. Saw her in some bad times she was going through, but good times too. Life is precious, people. Share love with one another. Rest in Peace HolliLauren...Brian Wolk, Esq.

Holli has been my Best Friend/ Soul mate/ and sister for years. She was one of the most Kind, Loving, Beautiful, Nonjudgmental, and Compassionate people I have ever met. She made an imprint on my soul that will NEVER go away and I Love Her With My Whole Heart and Soul. I know that she has found peace , and is smiling her Gorgeous smile down upon us, sending her Love to us all! This is a true tragedy, but God has a plan, and I know in time I will figure out what that plan is. I Love You My Sweet Angel and I will NEVER let you down. With all of my Love- Jess*

“ I met Holli for the first time when she was 16 or 17 years old. She was with her Mom and had come to my house to share Thanksgiving. Her beautiful smile and loving eyes warmed my heart and lifted my sagging spirit. I will never forget Holli. I also attended her baby shower and got to see all the joy and love there with tons of friends and got to see how Holli had grown into a beautiful young woman....a mother to be. She was absolutely glowingly beautiful! To all of the people who love Holli, family and friends, I am so so sorry. My heart is broken

“ I knew Holli as a little girl, with spunk and spirit! She was beautiful, funny and sweet. May the angels soar and sing with Holli💕💕💕.

For Sweet Holli and her family:

"Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid" (John 14:26–27).

“ *Holli was the prettiest young lady with the biggest eyes and prettiest smile. She lit up the room with her laughter. Holli had a huge heart, you could see through it by looking into her eyes. I will miss the bright young women that left way to soon. There is a star in the sky and I wondered why at night that extra star was so shiny. It was Holli a star and God’s new Angel.* ”
