“ My favorite memory of dad is going to the store with him and he bought three lottery tickets and he got nothing from the first two and I said damn you haven't won anything and he said “oh maybe because your bad luck.” And I said “no I'm good luck.” And he scratched the last one and won \$500 he smiled so big and was so excited and said to me “I guess your right I need to take you with me to work tomorrow.” ❤️

 Chris Mitchell

My son, Jake Mitchell, worked with Mike "B" for years and thought so much of him. I pray for peace and comfort for the family and wish that I had taken the time to thank Mike for teaching Jake and taking him under his wing. God bless you all and rest in peace Mike!
