“ *I wish I had room here to share all my memories of Jet. He tried a little bit of everything—a career student, someone who could travel to far away places on a dime, working as he traveled to pay for getting from one place to the other, and delighting on picking on us Halligan & Reid children. I spent many a night at the Halligan home (Kerri was my very best friend, and Kathy and my middle sister, Becky, were best friends for a very long time), and the Halligan/Reid families even vacationed together at times. I have so many good memories of Jet and the entire Halligan family. Rest in peace, Jet. You are a good memory to many.*

“ *Very sorry to see the passing of Jet. A great guy and a classmate of mine. He was also a good brother -in-law to my brother Mike.*
