“ I miss you everyday grandma, and there's not a day that I do not think about you. I wish that I saw you one last time, and I wish I got to say a proper goodbye, but I'm just glad that I got to tell you that I love you one last time.

I will make sure that one day to tell stories about you to my future kids. And I will tell them how much I wish they would've met you. But I know you're looking down on us and that you're finally in peace. Heaven gained an angel and I will see you again soon, grandma.
