“ *Dr. Joseph Chiapperini- A kind, gentle and brilliant man. A wonderful husband, a great dad and a friend to all who knew him. Joe, you brightened this world with your life as you touched so many other lives with your innate "goodness". We always enjoyed being in your company and shall remember you always.*

“ Joe and Connie came into my life when I was going through some discouragement, and brought love and joy to me. Joe's friendship over the years has been constant and treasured, and our common faith in Christ and His gospel is the reason. I will miss Joe, but I know he awaits the resurrection and already knows the presence of our Lord Jesus, I pray for Connie's ongoing strength and comfort during this time of grief in her separation from Joe, and thank God for bringing him into my life.

With much love,

“ Joseph you were my big brother, and there are no words that can say how much I loved  you,. You were a kind and patient man, and I loved you for being that way, you reminded me of daddy, he also was a kind loving man. I am so happy I was able to visit you last week, at least I as able to spend time with you and tell you that I love  you.

I remember all the things we did together growing up, there was always something planned for Saturday, you took me to the skating rink many times, we went to The Empire State Building all the way to the top,.where I recorded (Hay look me over) that was fun, even just hanging out with your friend Roger, I will never forget one Saturday I told mommy I was going to a dance at VFW, There were many dances there but not that night, I had a date, Mommy sent you to pick me up, and I wasn't there,, well I was in big trouble that night, and you my big brother told me next time to let you know,, well now my brother you are no longer with us, you are now with the Lord, Mommy and Daddy, Even though I didn't get to see you often just talking to you on the phone made me happy, I am going to miss you so much and you will always have a special place in my heart.
