“ *I love you so very much Nana. Not a single day goes by that I don't think about you and how wonderful and special you were. Life just isn't the same without you. Selfishly I miss you. I know you are in a better place and God knows that I don't want you in pain. You meant so much to me and I hope that you knew how much I love and cherished you. God bless you and protect you always in Jesus Christ name I pray, Amen. Xoxo*

“ *Judy loved her family. She was very kind to both people and animals. She loved the Lord, and had a precious smile. She will be missed.*
