“ I remember she was 7 years old screaming “picture to burn” in the backseat. Or when she met her nephew and was sooooo happy! She was a sweet soul and will be missed dearly.

“ Meeting Kayza and knowing her was the best thing that ever happened to me. I was even happy when I was able to reunite with her. She mean so much to me and knowing I’m never able to see her again hurt me too much. Kayza means the world to me, I will miss you so much.
