“ *I will truly miss Laura. She was one of my closest cousins. My dad and her dad were brothers as were my mom and her mom were sisters. Often times our fathers would go out fishing and catch a lot of fish and bring them home for dinner. During the holidays we enjoyed Christmas dinner and Thanksgiving dinner at my house. You can't take those memories away that's for sure. When Laura grew up she blossomed into a wonderful woman and then she moved down to Florida. We lost touch for a few years but not long ago we found each other again on Facebook. My only regret is that I didn't have a chance to go and visit her in Florida due to my health. It is very sad that she had to pass at such a young age. Just like her mother and my mom died too soon. I will miss Laura very much and I know she is at peace in heaven. I will see you when my time comes Laura and give you a great big hug. Love you dearly. God bless you.*

“ *Laura had so much to give. She was full of life and had so much positivity. I'm going to miss her so much. She was a good friend. So sad she left us too soon.*

“ *She was so friendly, outgoing & sociable, always bringing baked treats & organizing picnics for our little Upslide senior group. She's still on my Words with Friends game play list. Too young to die. She will be missed.*

CL

Laura was a very special and loving friend. She made all sorts of baked goods for many of our get togethers She always looked on counting her blessings even though she had severe health issues. I enjoyed playing word games online with her. I am blessed to have known her.

Farewell, Laura. Your life and death have taught me a lesson, and I believe I will be a better person because of you. Rest well! Susie Q

Laura, you were such a sweet friend to everyone. You were always so upbeat no matter what. I loved the way that you would call to invite me and us to picnics and to birthday parties that you had each month. You baked treats and cakes and no one was forgotten. I have never known anyone else like you. It is still hard for me to believe that you are gone.
