“ *One of the best men I have known. We met during our days at the Louisiana State Police. We also had the Navy Corpsman, US Marine connection. Leven was smart, honest and dedicated. If you were around him long, you felt the presence of the Holy Spirit. I am glad that we kept in contact over the years. He suffered with his illness and fought it as long as he could. Now, that is over and he is in a much better place. I pray for Junelea and Leven's family during this time of loss.*

“ I met Leven while an LSU student in Criminology. Leven was the first Trooper I had ever met and after meeting him, decided that I wanted to become a Louisiana State Trooper. I admired him greatly!
