“ *Oh man, Lisa! While we haven't seen each other since HS, or shortly after, I still remember your bright personality & your laugh. While I don't know why you left so soon, I do know that you have been set free from all the earthly struggles one must endure & you are now enjoying being in the presence of our Heavenly Father. "Lucky" you. :) Till it's my time to join you, I'll take care & fondly remember our time together oh so "long" ago. :)*
