Margaret "Peggy" Chaudoin

March 10, 2024 Baconton, GA

Peggy was a mother, sister, me-maw, aunt and friend to many. She lived her life her way. All the things that she did and accomplished over the years for herself and others made Peggy who she was. She stayed true to herself. Peggy had a way with her words, whether good or bad (i.e. tell it like it is with no sugar coating to it, the come to Jesus meeting) so that you would understand any situation you were facing at the time.

There were many things that Peggy had a love for including nature, gardening, cooking, reading books, writing, animals, music and of course you can't leave out the western TV shows and movies. There are so many memories and stories we all have of Peggy. She is a part of all of us that we will have forever.

There is a song by Cooper Alan called Never Not Remember You that describes our loss to a T.

With much love from all,
Till we meet again Peggy!!

“ *My Dear Friend Peggy! We had so many good times together for 25 plus years of best friendship. From going out dancing and to the bookstores or just simply going out to eat. We enjoyed each other's company for many years. I am not one real good with words but I want all of Peggy's family to know that I am deeply sorry for your loss. Peggy was my best friend and I miss her so much. I still find myself throughout the day thinking I've got to call Peggy!!! May God be with you all!!! Until we meet again my dear friend! Sincerely, Gloria Hall*
