“ *My sincerest condolences to Kristy and family on the passing of Matt. I met Matt about 18 years ago when I worked in a market that was a part of his sales territory. He was always so kind, helpful and reliable. Our friendship continued when my daughter and I opened a grooming business. Matt and Kristy started bringing Chewy to me. He always came and stayed with Chewy and we would have great conversations about life and family. Matt always brought me a coke to sip on while I groomed Chewy and talked. His wife, sons and grandchildren were his greatest joy, especially Kristy. He was so proud of his family. He loved his beach walks with Chewy. Now that Matt has his angel wings, I have no doubt he will continue to love his family and watch over them from above. I will miss our conversations and feel confident that he is at peace.*
