“ Just wanted to share a beautiful post I read about Mike ~

Michael Wayne “Mike” Page, 57, of Tallahassee FL, died September 27, 2020, peacefully at his home.

Born July 23, 1963 to John and Patricia “Pat” Page, he was a 1982 graduate of Blackhawk High School in Beaver Falls, Pennsylvania.

Mike is survived by his daughter, Dakota Page; his brother, John Page Jr.; his sister, Debbie Page; his mother, Pat; girlfriend, Rita Chadwell; and best friend and cousin, Scott Webb.

He was preceded in death by his father, John Page.

Many remember Mike from his days working at Tallahassee Glass or bartending at Doc’s Sports bar. For most of his career he was a master blaster for Dyno Nobel.

During his school years he enjoyed motor cross and wrestling. He is remembered fondly by his friends as always smiling and for his penchant for storytelling. Mike enjoyed hunting, watching Steelers football and NASCAR races. Some of his best times were spent sitting around a campfire and enjoying time with friends.

Rest In Peace Mike 🙏.

Dakota, have peace in knowing your dad will be watching over you and you will always have precious memories that no one can ever take away!

“ Our deepest sympathies to Pat, John, Debbie and all of the Page Family. We were shocked to hear of Mike's passing. Many great memories from time spent with Mike at his grandparents in West Mayfield. May God give you all the strength to get through this very difficult time. The Goe Family

“ *Dakota, I remember your dad the most with his stories. Always interesting. Also, he could find a dive bar no matter where his was. Those are the best kinda places! Lol!*

One time, I was visiting when the Pens where in the Cup. He called around and found a bar willing to put it on for us, as it wasn't on regular tv in Florida. We had a great time! Even the other patrons got in on the cheering!

He always had a smile on his face and a quick funny line.

He will be forever in our hearts and thoughts. You know have your own special Angel sitting on your shoulder, watching out for you. Stay strong and be happy he's not in any pain and in a better place. I really don't think he'd want you to grieve forever. That would make him sad.

Love you bunches! Call if you need anything or just want to talk.
