May 11, 1965 - February 3, 2025

Michael A. Twomey, age 59, of Tallahassee, Florida, passed away on 2/3/2025.

He was born in Miami Florida on May 11, 1965.

Michael graduated from Rickards High School in 1983 and received an Associate of Arts (AA) degree from Tallahassee Community College.

For many years Michael owned and managed his own automotive garage and loved to drive limousines, ferrying famous musicians or sports stars from the airport to their destinations.

When he had time off from his busy schedule, he loved to travel with his family to springs and rivers and go swimming, kayaking and snorkeling. While living in New Hampshire with his second wife, he loved going on adventures to the mountains and waterfalls and biking in the woods.

Michael was very gregarious, laughed easily at his brother's silly jokes, made strangers feel comfortable and loved sailing to Dog Island while listening to "Take It Easy" by the Eagles.

He instilled in his sons the value of rising early each morning to grab life by

the horns and make the most of each day.

He was survived by his sons Alexander Twomey and Thomas Twomey, his first wife Debby Twomey and his second wife Michelle Twomey.

Mr. Twomey is under the care of Jackie Fulford and James Sircy of Young Fulford Funeral Home, Tallahassee, Florida. 850.610.4444

“ Mike was a neighborhood kid , the younger brother of 1 of my classmates. Even then , he was a happy go lucky kid , unfailingly cheerful and good natured! He had a kind heart and I don't think there's a better quality than that! When he moved to NH w his new wife where I was , I learned of his great love for his children and how much they meant to him! The loss of his beloved mother Inez in the last couple of years probably had a huge impact on him as they were close RIP Mike
