

Patsy Ann Tournay

October 27, 1945 - November 24, 2023

Patsy "Pat" Ann Tournay was born on October 27th, 1945 in Meridian, Mississippi to Mack and Lillie Beal. She passed away in Tallahassee FL on November 24th, 2023.

Pat loved her husband Francis Eric Tournay, and enjoyed a close relationship with all of her children. She truly loved to cook. Pat was the caretaker of the family. It was her calling and she enjoyed taking care of everyone in her family, as well as others. When her father-in-law became ill, Pat even moved to Daytona Beach, Florida to care for him until his passing.

Although she mostly enjoyed being at home, Pat's favorite times of travel was the annual trip back to Mississippi to enjoy a large Thanksgiving Day feast with all of her relatives. It was something she looked forward to all year round, and when the time arrived, being with her family was the highlight of her year.

Pat and Eric are long-time members of Northwoods Church and Pat loved her Church Family.

Pat is survived by her loving husband, Eric; her children Mickey Dale Sloan, Jena Brown (and husband Tom), Patrick Tournay, Peter Tournay, and Tabitha Darby; four grandchildren; two great-grandchildren, and one great, great-grandchild; along with her brothers and sisters; her Church family; and her

“ My Dear Sister,

Although biology played a big role in making us family, it was the sharing of our joys and disappointments of our life's travels that cemented our bond as sisters. You & I were so much alike but yet so very different. It was those differences that seem to bring us closer as sisters.

Growing up with you as my older sister the pecking order was established as it is in most all families with numerous siblings. You took on more of a loving mothering role in helping to care for me. Thus, through the years began the process of learning to trust, share & lean on each other.

Patsy you were there for me through many joyous occasions as well as difficult ones. We laughed, cried, celebrated & reminisced together we even got mad together. Though not always not seeing things eye to eye the key word here is that we did so together as loving sisters. Not only were you a loving & protective sister you took on that same role as a wife to Eric & a mother to your children.

So to my Dear sister I Hope & Pray that you know what a Joy & a Honor it has been knowing you & traveling down the road called life with you. Though yours has ended too soon mine continues & I will carry you in my heart until my journey has also ended. Let me say Thank-You & that I have always Loved You & will Miss You Immensely.

Sisters Always, Vickie Patton

“ Pat was a fierce friend who was there when you needed her. Many times in recent years she opened her home to those who needed a meal or a place to stay. She was a Mama Bear to her children, loved her husband, bothers and sisters. She was a wonderful pet owner who treated her many dogs as humans..

In the past we walked and ran many miles together to improve our health, during those times we became very close. I was blessed that our paths crossed when I worked at the Department of Labor. We shared many adventures and wonderful times over the past four decades.

I will miss her presence on this earth.
