“ *My name is Praxton Randall Rose Jr. My brother is Richard Randall Rose. My mom Norma Faye Rose and our father divorced when we were very young and we unfortunately did not have a close relationship with our father. I found out about his passing through Google. I am deeply saddened to learn of it in this way. My deepest condolences to the family for their loss. It is my honor to carry his name. I am very proud of my father for the sacrifices that he made for for freedom. He will be missed.*
