

Rachel Collins

November 14, 1947 - November 14, 2022

It is with great sadness that we share the passing of Rachel Collins on her 75th Birthday, November 14th. Our beautiful Mom, sister, wife, and grandmother went home to be with Jesus.

We were blessed to recently celebrate 54 years with the love of her life, Troy Collins. She spent many years working at the Wakulla County Tax Collectors Office and enjoyed helping all that she served. She cared so much for her family and friends, the family that we chose, but her heart was her grandchildren.

Always thinking of others, we did not realize until we were much older that feeding 20 extra people on the weekend was because we were blessed to be able to do so. She loved gardening and butterflies, and we will always think of her happiness shared with others as the first blooms of each season.

Most importantly she was the matriarch of our family, welcoming many extended families to stay for weeks, summers, or years with open arms. She will be truly missed by all of those whose hearts she touched.

A Celebration of Life will be held at The Barn, 27045 N.W. S.R.73, Altha, Florida on Saturday, December 10th from 12 pm-3 pm. Please consider bringing an unwrapped gift to leave under the tree for Operation Santa as we

carry on the spirit of our Angel on Earth. Christmas is her favorite Holiday, so the family asks that in lieu of flowers please donate in her honor to:

Big Bend Hospice

“ *Sweet memories fill me anytime I think of Aunt Rachel and the advice she found pleasure in sharing with so many of us or the summers I spent with her and Uncle Troy, who truly were more like my grandparents. We found consolation in her when we were downhearted. Her benevolent smile would lift us anytime she was near as she simply had a calmness all the time. Everyone admired Aunt Rachel's wisdom. She had the ability to help us solve complex issues we struggled with and while never passing judgment as so many others did. Somehow she always tried to see good in each of us, the child she often helped guide along the way growing up. She was a true role model, and now we can say she's left footprints in the sands of time. The adventures we always had when we visited for weekends or summers will forever be cherished. I am so very grateful and truly blessed to have these memories. We've lost a precious jewel on Earth, but Heaven merely welcomed one of its own when Aunt Rae went home for those who knew her can attest she was a true angel! She left a legacy that will read through the generations and left a mark on the hearts of so many. May Aunt Rachel be able to look down from Heaven, smiling in the knowledge, that she impacted us, while we all look within ourselves and aspire to be more like her. Could you imagine how great the world would be?*

“ I will always remember the laughter between Rachel, Troy and my mama and daddy. Swimming at her house during the summer, and exploring the barn while the parents carried on in the house. Her sweet voice was like no other. I send my deepest condolences to the family.

“ So sorry for your loss. Rachel was a beautiful person inside and out. She will truly be missed by many. Not only did heaven gain another angle but Bo got his other mom. She was always so good to him.
