

Robert Milnes

June 6, 1952 - November 19, 2024

Robert A. Milnes (a.k.a. Bubba, Bob, or Bobby), aged 72, passed on November 19, 2024, at his home in Tallahassee, Florida. A beloved father, brother, uncle and friend, Bubba left an indelible mark on the lives of those who knew him. He is survived by 4 siblings, a son, and two daughters. His legacy is carried on by three grandsons, all of whom held a very special place in his heart.

Bubba was a motor vehicle mechanic in Tallahassee for many years after moving to the area from New Jersey, even owning shops of his own off South Monroe during the 90's but, he was a man who was never afraid to try new professions. He enjoyed working on and building computers, a hobby that he was happy to share with his grandsons. His ingenuity, knowledge and talent were shown through his work and hobbies. He could really do and fix it all, and he did so gladly and honestly.

His warm heart, generous spirit, and ability to bring people together with his fun-loving nature are greatly missed. He had a unique sense of humor and unmatched wittiness that brought joy to all around him. He loved getting together with family and friends and would rarely say no to a good happy hour. Bubba's memory will be forever treasured by his family and friends. He is deeply missed and fondly remembered by all whose lives he touched.

Services to be announced by the family.
