“ Well buddy, you left us way too early!! Which is very uncharacteristic of you brother since you were always the last one standing. I'm so grateful for the memories that I was able to share with you!! Our Halloween by the fire pit and cruising through FSU checking out all the costumes or the lack thereof on all the young FSU students. The birthday parties Christmas parties and of course the last trip we all took to Panama City together. All very fond memories you were a great guy Rob and you are loved and missed by many! Hard to believe when I saw you a few nights before you passed that that would be the last time we would talk.. but I will hold all of our conversations and memories close to my heart. Your family and thoughts will stay in my prayers from here and forward!! Love you brother!!! RIP Robbo

“ I have such fond memories of hanging out with Robbie back in the '90s. I remember a trip to the coast with Robbie and Bill McCluskey (RIP) which came to be known as the Epic Last Laugh trip because the two kept one-upping each other while managing to get totally lost in a swamp. Robbie was a sweet guy, and his memory will always stay that way for me. My deepest condolences to all who feel this loss.
