“ *I met Ron about 7 months ago. I was going through a difficult time and started coming to a support group. He was one of the first people I met and always greeted me with his contagious smile. Ron always acted happy to see me and cared about how I was doing. He was like my life cheerleader at a difficult time. I needed that so much. He had a significant impact in my life in the short time I knew him. I will miss Ron, but I'll never forget his smile and warmth. He left those with me. ❤️ Kelly*
