“ *What an interesting, kind and generous man he was! I loved his stories, his art and his heart for his students and his “studio kids.” The arts community (and Tallahassee in general) has lost a wonderful artist, mentor and friend. Rest well, Ron. You will be missed.*

“ Ron's 76th Birthday Parade!

Ron had so much fun on his 76th birthday parade which marched up and down his street! There was a large crowd of friends. Ron had paid to have his street closed to traffic. He even had a small band playing "76 Trombones and joining the parade. We all had a grand time with him leading us up and down his street in celebration! I know of one couple from Tuscaloosa who drove down to be a part of this fun parade! The fellow had been Ron's roommate during their Freshman year at the University of Alabama.
