“ *It's late and long overdue, but I need it to be known how much I miss my brother. We had our issues and I have been damaged in ways I cannot explain, but I will always feel the loss of him like a warm coal inside of me only buffeted by the good memories. I wish I could explain how much of me, as a person, was influenced by my brother... but all I can say is that he was a decent man who tried his best with all that was put against us. I miss you.*
