“ *She was a friend when i really needed one many years ago in Miami. Then she and Nikki were such fine friends in Havana. I will miss our long visits in the shop and our memories of her family who I loved..*

“ *I miss her daily. I had been trying to reach her for a while and could not. She and I had remained in touch for decades and this hurts my heart because she was such a great friend and great woman. We flew together ages ago and went through our 'ailments' as we got older. I hope she is happy with her guy and being pain-free. I know her mom was waiting for her too. RIP my dear dear friend.*
